

ARIES

Lower keynote – “And the word said: Let form again be sought”.

During the month of Aries, a major sign, the average person will receive a strong charge and he will respond to this charge through his lower centres, have materialistic tendencies and involvement in the ‘form’ aspect of life.

Higher keynote – “I come forth and from the plane of mind I rule”.

The mental plane referred to is the higher mind, reason, logic and clear thinking, through which life will be ruled, free from glamour and illusion. If a man cannot focus with his higher mind, he is ruled by his physical nature, with its urges and drives, his emotional nature with its glamour’s and negative emotions and also he is ruled by his lower mind, which divides, separates and thinks in selfish terms.

It is on the higher mental planes that the will energy is contacted and used properly for the purpose of evolution. At this full moon period is the festival of Easter, the festival of resurrection, and the will is toward spiritual values by means of religion, philosophy, science and the arts.

FULL MOON MEDITATION WHEN SUN IS IN ARIES MEDITATION ON THE DISTRIBUTION OF FIRE

THE GREAT INVOCATION

From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.

From the centre where the Will of God is known
Let purpose guide the little wills of men-
The purpose which the Masters know and serve.

From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

OM

“Salutations to the Christ, the head of the Hierarchy”

OM

Visualisation of a flaming chalice upon an altar. We will approach, dressed in white, holding a golden chalice in our right hand. We will fill it from the liquid fire and, in our imagination, go to those places which need light, fire, purification and harmony.

- a) Starting in a city or a mountain we will hold our chalices high and see beams of fiery light radiating out of our chalices and penetrating into the city, country, nation or race.
- b) We will then visualise the globe upon which all our brothers and sisters are scattered, holding their radiating chalices in their hands.
- c) Say the following mantra in unison with all your brothers and sisters around the globe (in your minds eye)

More radiant than the sun,
Purer than the snow,
Subtler than the ether-
Is the Self,
The spirit within my heart;
I am that Self
That Self am I.

d) We will see all the radiations of all the chalices merging and forming a blanket of fire around the planet, penetrating into each living form.
Then say the following Mantra of Unification, imagining all the hearts of all men saying it with us:

Mantra of Unification

The sons of men are one and I am one with them.
I seek to love, not hate.
I seek to serve and not exact due service.
I seek to heal not hurt.

Let pain bring due reward of light and love.
Let the soul control the outer form and life and all events,
And bring to light the love
Which underlies the happenings of the time.

Let vision come and insight;
Let the future stand revealed.
Let inner union demonstrate and outer cleavages be gone.
Let love prevail.
Let all men love.

OM

"In the centre of the will of God we stand. Naught shall deflect our will from his".

Stand as a beam of light, radiating light and beauty for two minutes.

Spend some time sitting quietly to absorb the energies you are feeling.

NOTE: This meditation is based on the law, "Energy follows thought". A thought form of spreading the fire of Aries is formed on the planet, which is used by higher forces as a ready channel to distribute the fire. Also we are approaching this meditation in the name of Christ. While the "mantra of Unification" is sounded, do not forget to visualise all of humanity as saying the mantra.
