

# SUN IN CANCER

Lower Keynote of Cancer is; "And the word said: Let isolation be the rule and yet the crowd exists."  
During this time, it is most important to focus on breaking through the feeling of being separate and building some bridges to connect with "others."

Upper keynote of Cancer is; "I build a lighted house and therein dwell."  
During this month, we have the best possibility of creating our own "lighted house", the energies being of assistance in every way.

## CANCER FULL MOON MEDITATION

1. Relax your body. Calm your emotions. Clear your mind.
2. OM OM OM
3. Say the Great Invocation:

From the point of Light within the Mind of God  
Let light stream forth into the minds of men.  
Let light descend on Earth.

From the point of Love within the Heart of God  
Let love stream forth into the hearts of men.  
May Christ return to Earth.

From the centre where the Will of God is known  
Let purpose guide the little wills of men—  
The purpose which the Masters know and serve.

From the centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

4. Meditation seed thought:

*What kind of house am I going to build and for what purpose?*

**Note:** Every thought, emotion, action and word from our mouths builds our "house." Our house is our personality, our Chalice, our higher bodies, or any form in which or through which we function.

5. Say the Mantram of Unification:

The sons of men are one and I am one with them.  
I seek to love, not hate;  
I seek to serve and not exact due service;  
I seek to heal, not hurt.  
Let pain bring due reward of light and love.  
Let the soul control the outer form,  
and life and all events  
and bring to light the Love  
that underlies the happenings of the time.  
Let vision come and insight.  
Let the future stand revealed.  
Let inner union demonstrate  
and outer cleavages be gone.  
Let love prevail.  
Let all men love.

6. OM OM OM
7. Bless the world.
