

# GEMINI

**Lower keynote** of Gemini is; "And the Word said: Let instability do its work". Gemini energy creates instability within the average person in their physical, emotional and mental life. Such an energy does reveal the nature of the aspirant and for those who observe closely, it "does its work."

**Upper keynote** of Gemini is; "I recognize my other self and in the waning of that self I grow and glow." Gemini energy enables one to see the other self, often those vehicles with which the Self is identified.

## GEMINI FULL MOON MEDITATION

1. Say this mantrum.

**More radiant than the sun  
Purer than the snow  
Subtler than the ether  
Is the Self, the Spirit within my heart  
I am that Self  
That Self am I**

2. Present yourself to that Almighty Life and say: "I am that Self"
3. Say the Great Invocation:

**From the point of Light within the Mind of God  
Let light stream forth into the minds of men  
Let light descend on Earth**

**From the point of Love within the Heart of God  
Let love stream forth into the hearts of men  
May Christ return to Earth**

**From the centre where the Will of God is known  
Let purpose guide the little wills of men  
The purpose which the masters know and serve**

**From the centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where evil dwells**

**Let Light and Love and Power restore the Plan on Earth**

Imagine all over the world, men and women of every religion, color and race are saying *The Great Invocation* with you. Listen closely and in your imagination hear all Humanity saying it together.

4. Sound three Oms
5. Meditate on this seed thought: "How does goodwill affect my mind, my friends, my tongue, my actions and my feelings? If I am a man or woman of goodwill how will I think, talk, act and react?"
6. Sing "The Sons of Men are One" while joining hands.

**The sons of men are one and I am one with them.  
I seek to love, not hate;  
I seek to serve and not exact due service.  
I seek to heal, not hurt.**

**Let pain bring due reward of light and love.  
Let the soul control the outer form and life and all events,  
And bring to light the love  
which underlies the happenings of the time.**

**Let vision come and insight;  
Let the future stand revealed.  
Let inner union demonstrate and outer cleavages be gone.  
Let love prevail.  
Let all men love.**

7. Say three OM's.
