

# LEO

**Lower keynote** - "And the Word said: Let other forms exist I rule."

The period during which the Sun travels through Leo is the perfect time to break out of old patterns of being in charge in a dominating totalitarian way.

**Higher keynote** - "I am That and That am I."

As the sun enters Leo we have greater impetus for recognizing the freedom of other people, the result of the realization that we are all different aspects of each other; this is the only antidote for the tendencies of Leo sun people to overrule or force their will on others. This sense of unity truly connects us all

## FULL MOON MEDITATION WHEN SUN IS IN LEO

Absolute silence should prevail in the meditation room.

OM MANI PADME HUM.

Say The Great Invocation

### THE GREAT INVOCATION

From the point of Light within the Mind of God  
Let light stream forth into the minds of men.  
Let light descend on Earth.

From the point of Love within the Heart of God  
Let love stream forth into the hearts of men.  
May Christ return to Earth.

From the centre where the Will of God is known  
Let purpose guide the little wills of men-  
The purpose which the Masters know and serve.

From the centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

Salutations to the Lion in the Hierarchy, the Christ.

Salutations to all servers everywhere in this world.

Meditate on this seed thought: "Did I experience a burning ground this month or must I first burn ff many obstacles on my path?" What are these obstacles?

Name five of them and think how you can eliminate them.

Say the Mantra of Unification

## **Mantra of Unification**

The sons of men are one and I am one with them.  
I seek to love, not hate.  
I seek to serve and not exact due service.  
I seek to heal not hurt.

Let pain bring due reward of light and love.  
Let the soul control the outer form and life and all events,  
And bring to light the love  
Which underlies the happenings of the time.

Let vision come and insight;  
Let the future stand revealed.  
Let inner union demonstrate and outer cleavages be gone.  
Let love prevail.  
Let all men love.
