

# LIBRA

**Lower keynote** - "And the word said: Let choice be made" Under this sign, the average person often makes his choices on the personality level, controlled by his desires, glamors and illusions. During this month he has an opportunity to make a good choice on spiritual values.

**Higher keynote** - "I choose the way that leads between the two great lines of force" The 'between' is the "middle path", about which Lord Buddha spoke, the 'force' being mostly mental in nature. The Libran energy can adopt a neutral attitude, an attitude of *justice*. He eventually finds the point of peace, understanding, love, impartiality and *rest*. The light that shines this month is called "The light that shines to rest." The rest point being the middle way between 2 extremes

Say the Mantra of Unification

### Mantra of Unification

The sons of men are one and I am one with them.

I seek to love, not hate.

I seek to serve and not exact due service.

I seek to heal not hurt.

Let pain bring due reward of light and love.

Let the soul control the outer form and life and all events,

And bring to light the love

Which underlies the happenings of the time.

Let vision come and insight;

Let the future stand revealed.

Let inner union demonstrate and outer cleavages be gone.

Let love prevail.

Let all men love.

Say The Great Invocation

### THE GREAT INVOCATION

From the point of Light within the Mind of God

Let light stream forth into the minds of men.

Let light descend on Earth.

From the point of Love within the Heart of God

Let love stream forth into the hearts of men.

May Christ return to Earth.

From the centre where the Will of God is known

Let purpose guide the little wills of men-

The purpose which the Masters know and serve.

From the centre which we call the race of men

Let the Plan of Love and Light work out

And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

Spend some time sitting in silence and disperse in peace
