

VIRGO

Lower Keynote "And the word said: Let matter reign".

As the sun enters this sign, the Virgo individual has a great urge to let matter rule his life, thus he has a great chance to break through the glamour of materialism during this period and live a life from a new spiritual level.

Higher Keynote "I am the mother and the child, I am God. I matter am".

The mother is the form aspect, while the child, or new self emerges from matter, striving for perfection (God). Thus we have the trinity; The Father or God, the Son or Child and the Mother. All these forces eventually give birth to the human soul.

Three OM's

The Great Invocation

From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.

From the centre where the Will of God is known
Let purpose guide the little wills of men
The purpose which the Masters know and serve.

From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

Meditate on the following seed thought; "Christ in you the hope of glory." Think how we can shield, nourish and reveal Him. (spend approx 10 minutes on this)

Intone the *Mantram of Unification*

The sons of men are one and I am one with them.
I seek to love, not hate,
I seek to serve and not exact due service,
I seek to heal, not hurt.

Let pain bring due reward of light and love.
Let the Soul control the outer form and life and all events,
And bring to light the love
Which underlies the happenings of the time.

Let vision come and insight,
Let the future stand revealed.
Let inner union demonstrate and outer cleavages be gone.
Let love prevail.
Let all men love.
